Dear Buchan Parents and Families,

Cyber Safety

We want to ensure our students can access the world through the internet AND have the skills and resilience to use it appropriately. To do this we have established a new rule.

Devices CAN be used in the mornings:

In the Senior Classroom

From 8.30 onwards

Students need to shut down inappropriate 'pop-ups'

Anything inappropriate must be reported to a teacher

Children need to support each other to do the right thing

A COMMUNITY PARENT INFO SESSION WITH TONI REDSHAW WILL BE ORGANISED FOR THE START OF TERM 1.

Wheels Wednesday

What a great success!! It will be on again next week.

Human Development

School Nurse Bernie will be visiting over the next few weeks. Students in Grades 5&6 will be having some Human Development and Sexual education sessions. This is a compulsory part of the curriculum.

Engineers Without Borders

Today the children worked with volunteer uni students to build water filters. What a great opportunity. Picture to come next week.

WHOLE SCHOOL EXCURSION

On Monday 10th December a whole school excursion to Melbourne for a Christmas Concert has been organised. This is fully paid for by benefactors of the Melbourne Arts Centre. More details will be given next week. WHAT A GREAT OPPORTUNITY FOR OUR STUDENTS TO LEARN ABOUT THE WORLD OUTSIDE BUCHAN!!!!!!!!!!!!!!

Regards, Clare Edwards
