Dear Parents,

Reports

Mid year reports will be going home either today or tomorrow. Please read them carefully. A great deal of work goes into compiling reports to help parents better understand where their child is 'at' and what they need to learn next. Well done to all our students.

Parent-Teacher Interviews

We will be holding Parent Teacher interviews of Wednesday the 25th July. Please return the appointment request sheet to the office to secure your time. Confirmed times will go home on the first newsletter of term 3.

Excursion

Yesterday's excursion was non-stop.

- Our first port of call was the Keeping Place. Rob Hudson showed us many artefacts and told some stories about the Gunaikurnai people — then we saw some basket weaving under way.
- After that we popped into the Riviera Pet Store and had a wonderful time looking at birds, turtles, snakes, lizards, frogs, guinea pigs and fish.
- The All Abilities Playground was next on the list, followed by the Shire Library.

Thanks to Shane for driving us and for Mrs. Sykes who dismissed us from school at the end of the day.

Tech Equipment

Last week we had yet another session to remind students how to care for our school's computer equipment. Having been warned on multiple occasions to plug in and look after things, there are now no more warnings. Equipment that is left lying around or in a tangled heap WILL BE CONFISCATED and locked away. Our computer equipment is so precious we cannot afford to replace any of it.

School Holidays

Hopefully you will all have a happy and safe mid-year break. School starts back on Monday the 16 of July. Don't forget our early finish at 1pm tomorrow.

Have a great holiday.

Regards, Clare Edwards
